

Winter Camps, Clubs & Workshops

Science of Skiing and Snowboarding

Hit the slopes with spectrUM during this exciting three-day club! On the first day, you will learn the physics of skiing and snowboarding and meet with professional skiers and skiing enthusiasts. Take a lesson at Snowbowl and ski or snowboard during the last two days. Whether you are a first time skier or a snowboarding fanatic, you don't want to miss this amazing adventure!

When: December 28th - 30th • 9:00 am - 4:00 pm

Ages: 7-11 • Fee: \$250, \$225 for members

Rental Fee: \$30

Location: spectrUM Discovery Area, Snowbowl

BioMed Club at spectrUM

Come learn about medical professions with spectrum's new Hands-on-Health Exhibits. Look at germs under a microscope and learn how they spread. Meet researchers at The University of Montana and practitioners in the Missoula Community. Learn the workings of eyeballs and hearts by performing dissections. This six-week club includes a visit to the St. Patrick's Hospital and The UM College of Technology.

When: Tuesdays, January 12th – February 16th • 4:00 pm – 5:30 pm

Ages: 9 – 12 • Fee: \$125, \$112.50 for members

Location: spectrUM Discovery Area

CSI: Crack the Case

Learn the tricks of how investigators solve a mystery! Work with a team to conduct experiments, examine fibers under a microscope, and fingerprint suspects. On the final day, you will be the detective, and use all the forensic tools you have to solve the case!

When: Saturdays, January 16th and 23th • 11:00 am – 2:00 pm

Ages: 6 – 9 • Fee: \$50, \$45 for members

Location: spectrUM Discovery Area

GirlTech Animation

Check out this popular afterschool program that introduces young girls to hands-on technology in an informal learning environment. Girls learn computer programming and animation skills to create a music video with iStop Motion Animation and Scratch Programs. The last day will include a gallery for the girls to share their videos with their families.

When: Thursdays, January 28th – February 18th • 4:00 pm – 5:30 pm

Gallery: February 18th, 4:30 – 5:30 pm

Ages: 7-11 • Fee: \$65

Location: spectrUM Discovery Area

Bacterial Boot Camp

Attention! This three-week workshop includes the exploration of bacteria. Use microscopes to observe bacteria, visit a research lab, and learn how bacteria grow. This includes a "Bacteria Food Fest" for families to share in the fun!

When: Saturdays, January 30th – February 13th • 12:00 pm – 2:00 pm

Ages: 10-14 • Fee: \$50, \$45 for members

Location: spectrUM Discovery Area
