

Join the spectrUM Discovery Area for their 7th Annual Jane S. Heman Foundation

summer of science

Free and open to the public

The University of Montana spectrUM Discovery Area and our Bitterroot STEAM Advisory Group

have teamed up with libraries and community organizations throughout the Bitterroot to share exhibits and activities that explore problem solving all summer long. Stop by any of the sites for free, hands-on activities and exhibits.

How can you be a problem solver?

We will be hosting and facilitating all events in compliance with state and local health guidelines and host site protocols. All events are subject to cancellation without notice. We thank you in advance for also following social distancing guidelines when attending events.
